

AG-963

50 watts

Wall Mounted Electric Grid Trap

The AG-963 Insect Electrocutor is designed for small areas where a compact light trap is the best choice. This corner/wall mount light trap is great for hallways and interior rooms where fly control is important. The AG-963 has a removable catch tray to contain dead insects for later evaluation, identification, and disposal. Install 3-6 feet high on the wall.
