

Drain / Fruit Fly Trap

DF-2000

Gardner's Drain/Fruit Fly traps are an easy-to-use method of trapping pesky drain/fruit flies in industrial and commercial areas. Traps are made from lightweight food grade plastic, and are disposable. Simply **add your own attractant** (banana or vinegar) to lure insects into entry holes in the bottom of trap. Adhesive pre-applied to interior will capture and trap insects. Hang or place flat in the areas of need. Trap is 4.75" in diameter, 2.25" tall.
